CAN YOU HELP US TO KEEP ST JOHN'S CHURCH OPEN?

St John's church has cracks! As these are in the porch area, if we don't get them fixed we will have to close the church building.

The cost of the repair work is estimated to be £18,000. Any small financial help you can support us with will help to ensure that our church buildings remain open, safe and standing for the next generation!

If anyone would like to donate, please see our website or scan our contactless machine.

If you have any fundraising ideas, please speak to Mthr Mitzi or Mary Englefield.

Clay Hill is a beautiful place to live and worship, but the clay soil does make things difficult for us.
